

## MERIDIAN MEATS WIN GREAT TASTE AWARDS 2006

In less than a decade, the Great Taste Awards run by the Guild of Fine Food Retailers, has become the definitive standard for speciality food and drink in the UK. Most foods made in small batches, using authentic ingredients to traditional recipes may claim to be speciality, but the name rarely guarantees real quality.

Entering for the first time this year we are absolutely delighted and very proud to have won **2 Golds. 2 Silvers and 2 Bronzes** in this prestigious competition.

Our successes were:

### GOLD

Longhorn Beef and Colman's Mustard Sausages  
Longhorn Beef Thyme and Wholegrain Mustard Sausages

### SILVER

Longhorn Beef Provencal Sausages  
Longhorn Beef & Sweet Chilli Sausages

### BRONZE

Longhorn Beef, Port & Red Onion Sausages  
Gloucester Old Spot Pork, Pear & Stilton Sausages
